## 2010 Yacht Racing

Early Spring 2010

Dear Racers:

The **Lloyd Harbor Yacht Club (LHYC)** cordially invites you to join us for our 2010 racing season outlined below. The LHYC Regatta Committee is committed to continually enhancing our local racing program by striving to grow the ranks and providing well run events that are fun to sail; which include post-race parties, as you have come to expect are part of LHYC racing.

This year, with the organizing help of Directors Glenn Suss and Doug Vaughn as well as Rear Commodore, Dave Willis, we are very excited to offer a two-day Spring Series event called the "Race for the Case." We hope to attract many boats from our region including several one-design classes with an eye towards making this a well known annual regatta on par with the AYC Spring/Fall Series and MBYC Fall Series.

As in past years, the Spring Series and Lloyd's Trophy are YRA qualifying races for the Spring, Gitana, Sappho, Competitors, Kings Point and Mertz Trophies. The Lloyd's Trophy and Stratford Shoal Make-a-Wish races are also qualifying races for the North Sails L.I. Charity Championship.

All races will be governed by the 2009-2012 Racing Rules of Sailing, the PHRF regulations of the YRA of LIS, including the minimum equipment and safety recommendations for Category C (unless Cat. B is specified), the class rules of boats sailing as a one-design class, and by the Notices of Race, except as any of these are altered by the Sailing Instructions.

For information about our races and to register, please visit the LHYC website at [www.lhyc.org](http://www.lhyc.org). To obtain a rating, please refer to the YRA of LIS yearbook or [www.yralis.org](http://www.yralis.org). To volunteer for Race Committee, or should further information be required, please feel free to contact me at (516) 582-6488 or [fleetcapt@lhyc.org](mailto:fleetcapt@lhyc.org), or visit [www.lhyc.org](http://www.lhyc.org).

The Lloyd Harbor Yacht Club officers and fleet are looking forward to the coming season and seeing you on the racecourse.

**John Belle**  
**LHYC Fleet Captain**
